

# DRIVER REVIVER

Stop Revive Survive Stop Revive Survive

Driver Reviver is a national program which aims to reduce fatigue related crashes throughout peak periods of travel, predominantly school holiday periods when traffic volumes and crashes are traditionally high.

Bushells is the major sponsor of Driver Reviver providing coffee, tea and Arnotts biscuits to operators to encourage drivers and their passengers to stop, revive and survive.

Driver Reviver in Western Australia began over the Christmas period in 1992 at Southern Cross and has grown to involve 32 locations throughout the state.

Volunteers donate their time to ensure motorists can avoid fatigue and reach their destinations safely.

The stations are an ideal place to take a break on a long journey, have a chat and enjoy some refreshments.
